

19th HOT Corvair Reunion 2015
Leslie Whalen, Pres, LSCC
Welcome Note

Hi folks!! We have the pleasure of hosting the 2015 HOT. As you may have heard, it is going to be in the Bluebonnet capitol of Texas- Burnett, from 04/17/15 thru 04/19/15. At our Host hotel, the Comfort Inn, we were fortunate enough to lock in some outstanding rates for this time of year, in addition to it being a fairly new facility. When making your reservations be sure to let them know you're attending due to the "Corvair Car Club" event. On Saturday we are having the car show at Highland Lake's Air Field. This year we will have 8 judges (2 from each club), so we are asking that you start thinking about designating 2 people who would like to help out with that.

Part of your reservation fee includes admission to the CAF museum there. And, they should have at least two vintage planes that will be available for rides (in the price range from \$125.00 to \$250.00 a person). *In addition*, we will also have a raffle (\$10/ticket) at the Welcoming Party Friday night to see which one of our lucky attendees will win a free ride in one of the vintage planes (Note: they will allow you to take over control in flight, if you want!). We will also be doing the 50/50 raffle that will continue through until dinner Sat night.

After the Car Show, we will take a cruise though the hill county and you can either chose to eat in Llano (several restaurants), or at the Longhorn Caverns (we will have maps for either route). After that it's free time to grab a nap back at the hotel, do some shopping, get wet in the hotel pool, or just relax for a while before dinner. The Awards dinner (and dance to follow!) will be conveniently catered at the hotel's large Banquet room. Our food will be buffet style & will be presented by The Highlander Restaurant & we have been assured that no one will go hungry, or miss out on dessert! After dinner we will have the Awards presentation and door prizes. When everyone is full and happy, we will start our dance. I would like to call it "A Blast From The Past", so make sure you bring your partner and your dancing shoes so you can get your groove on!!! After the dance is over you can mosie on back to your room at your leisure. Sleep well and we will see you for breakfast in the morning. The officer's meeting will be in the hospitality room.

We look forward to seeing everyone and we will do our best to make this a great HOT for everyone!!!

I'll see you there,
In your 'Vair
